Animal Welfare & Rights

- Body of Animal Rights Campaigners (BARC), UCF Student Organization, 2003-current
 - Leadership positions including: webmaster, secretary, and promotions manager
 - Developed massive informational resource website for the group and the public at <http://www.barcdonbite.org/>
 - Aided in founding this student organization in 2003, and helped it thrive
- Including national and local, membership and voluntary service with the Humane Society of the United States (HSUS), the Animal Rights Foundation of Florida (ARFF), and the Orlando Animal Rights Alliance (OARA)
- In commitment towards the welfare of animals, I've held maintained a vegan lifestyle for the past four years.

UCF Programming Team

- Competed regionally in the International ACM Collegiate Programming Contest in 2005 and 2006 competitions
- Placed in top 15 of the local programming competition against more experienced members of the distinguished UCF team two years in a row
- Was the teaching assistant and judge for UCF's problem solving course in Spring 2006

Community Outreach

- UCF Mentoring Program, mentor for incoming freshmen in 2006
- Website consultant and technical support for UCF's Women Studies department website
- Boy Scouts of America (BSA), National Organization, participation since 1991
 - Honors: Order of the Arrow Brotherhood, Life Rank
 - Leadership positions: District Venture Crew Advisor, (Founding) Venture Crew President, Senior Patrol Leader, et al.
 - Volunteer work: Annual Food for Families, Bookshelves for the Homeless
- Camp Invention, Day Camp by the National Patent Office
 - Participation: 7 elementary schools in 12 camps over 3 counties
 - Enriched education for youth attending the camp, as I had with volunteering with Timber Trace Elementary school, previously
